

Northeastern University Libraries Digital Bookplate Program

Design Option A

Design Option B

A UNIQUE OPPORTUNITY TO LEAVE A LEGACY

Through the University Libraries' Digital Bookplate Program, donors can support research and learning across the Northeastern community while expanding the library's collections.

With your philanthropic support, the library can add materials (books and e-books) to our collection. The donor's bookplate is then linked in the online catalog to each new purchase. Digital bookplates are a meaningful way to honor a donors' interests, achievements, colleagues, mentors, parents, grandparents, graduates, advisors, or professors. They are easy to share with friends and family and provide a lasting remembrance of important milestones.
