TO WHOM IT MAY CONCERN:

The following monetary values for books are averages, estimates derived from researching and assessing books in our business. An individual book may be worth less or more, depending on condition, edition, and demand. These are merely guidelines should you wish to use them for any accounting.

Textbooks:	Current editions = \$40 Previous editions = \$15
Softcovers:	Academic press = \$15 General = \$7
Hardcovers:	Academic press = \$15 General = \$7
Scholarly monographs:	\$15
Biography:	\$10

It is possible to value specific books both above and below these averages; however, you may find these guidelines useful in assessing your donation to Snell Library.

Sincerely,

Susan Clare
